PERPETUAL MOTION SPORT TO SERVE FUNDRAISING PROGRAMS

(Hockessin, DE – May 5, 2002) – The Perpetual Motion Sport™ line of skin-care products for athletes has launched a line of fundraising products for charity runners, sports teams, and organizations. The Delaware Chapter of The Leukemia & Lymphoma Society Team In Training has selected the products for use by local participants in their fundraising activities.

Delaware-based Select Amenities, Ltd., distributes Perpetual Motion Sport™ products. The line includes Beeswax Lip Balm with sunscreen, peppermint & eucalyptus Foot Lotion, rehydrating Recovery Lotion, Hair & Body Shampoo and Bayberry Bath Soap. The enriched products are meant to serve active men and women and carry the slogan “Satisfy Your Thirsty Skin™.”

Participants in marathons, triathlons, and other fundraising events can show and take orders for five Perpetual Motion Sport products. Fifty percent of the proceeds are donated towards the participant’s fundraising goal.

Company founder and president Vince McIntosh feels the products are a perfect fit for the situation. “After all, people you know are buying such products for themselves and as gifts everyday, why not buy them from a charity fundraiser and help them reach their goal?” He is confident co-workers, families, friends, and neighbors will be receptive to such an offer because it not only supports a great cause, but they get something tangible and a great value as well.

For more information please contact Select Amenities at 800-234-9294.
